## ABOUT ME

Passionate software developer with a strong foundation in Java, Python, and JavaScript. Committed to innovation, problem-solving, and continuous learning. Eager to contribute to dynamic projects and make a positive impact in the field of technology.

## EDUCATION

- Bachelor of Science in Computer Science
- bharathiaruniversity, Coimbatore, tamilnadu
- Dates Attended: June 2023 - may 2026
- Relevant Coursework: Algorithms and Data Structures, Web Development, Software

## EXPERIENCE

As a junior software developer, I contributed to the development of robust software solutions by collaborating with cross-functional teams to analyze requirements, design. Leveraging my strong understanding of programming languages such as Java, Python, and JavaScript, I actively participated in coding, debugging. Additionally, I demonstrated adaptability and a willingness to learn new technologies, which enabled me to quickly grasp unfamiliar concepts and contribute effectively to various projects. I played a vital role in enhancing product functionality and performance, while continuously refining my skills to excel in dynamic software development environments.
